

Introducing the **2018**

WEEKENDER

This is one of our most popular models and it's easy to see why. The camper is so light it can be towed by most small and medium-sized cars and set-up is a breeze.

The 2018 Weekender comes with off-road capability, 4-leaf shackle spring suspension, 15" steel wheels and a silent winch as standard. Whether you want a reliable Aussie-made camper for regular weekends away or longer trips throughout the year, the Weekender has everything you need for that quick getaway.
